**Disclaimers:**

-Colors in the table above are mentioned with their generic names, without any commitment from manufacturer side to a specific color variation, shade or intensity or any other possible generic or specific definition of color. Manufacturer reserves the right to change colors at any time inside the generic ranges defined by the above names.

-This riser is designed to be used with poundage on finger of no more than 44 pound in continuous use. Using this riser continuously over that limit voids the warranty and manufacturer shall not be liable for any damage or injury happening to user.

- Dedicated GILLO Bare Bow weights suspended to the 4 x M4 tapped holes only, should not be heavier than 700 g. Using heavier weights voids the warranty of the riser
